

Instant Cold Pack (23cm x 15cm)

Non-woven lining helps prevent the pack from sweating and can be placed directly on the skin. Does not require a compress holder or clumsy ties. Needs no refilling and stays at a lower consistent temperature longer than other cold packs.

- Advanced formulation keep un-activated before use
- Components and agents used are non-toxic
- Extra strong bonded seals to avoid leakages
- Easy to follow instructions printed on pack
- Rounded edges, no sharp tags
- Can be applied directly to the skin
- Longer consistent lower temperature than standard packs
- ARTG#288882
